make a difference!**

**VPA Gift Campaign**

The Vermont Psychological Association (VPA) needs your support!

Join our prestigious and generous group of donors with a common vision for a healthy and successful association. Help VPA continue to promote the profession of psychology and the work of psychologists helping others.

Donors will be recognized by name at our annual membership Continuing Education events, in a special section of our newsletter, and on our website.

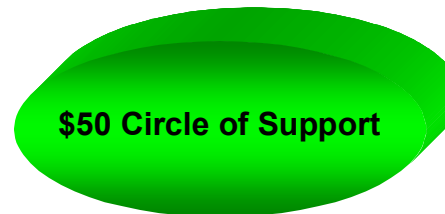

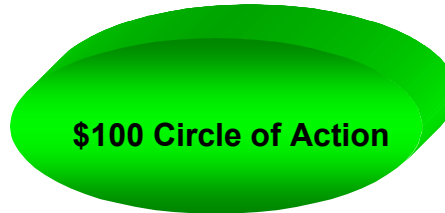

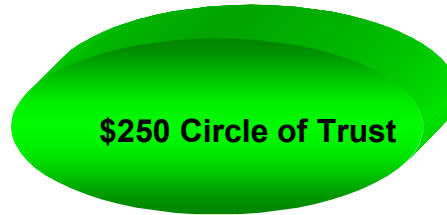

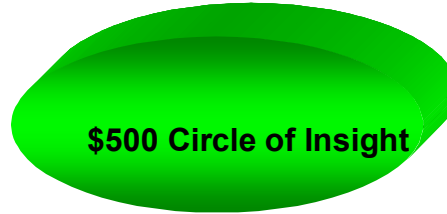

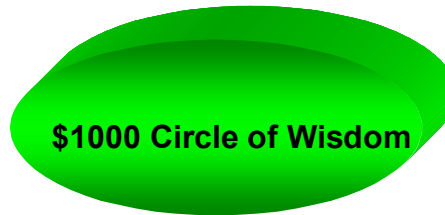

***Please consider a gift to  
VPA.***

## Circles of Giving

### YOUR GIFT WILL MAKE POSSIBLE:

- **Legislative Advocacy** at the *local level* to ensure psychology is represented in the current health care reform efforts in Vermont.
- **Continuing Education** events that represent academic and clinical excellence with APA and Vermont Board of Psychological Examiners accreditation.
- **Enduring Success** of VPA in supporting our members as leaders in the field of mental health in Vermont.
- **Professional Collaboration** through networking with peers, online discussion groups, and up-to-date website content.
- **A Unified Voice** to protect the work of psychologists and help the profession of psychology flourish as the future unfolds.
- **Attracting a New Generation** of students and potential psychologists to joining the profession.
